

Town ratifies union agreement

Town Council at their Aug. 13th meeting ratified a new agreement with the Canadian Union of Public Employees, Local 941 covering town employees. The existing contract expired Feb. 28th and the new contract covers a period of 22 months instead of 24, in order to bring the expiry date at Dec. 31st, 1969 rather than Feb. 28th date, in this way future contract negotiations can be completed earlier in the year and prior to the adoption of the budget.

The settlement provides a 20% increase over the 22 months: 10% effective March 1st, 1968 and 10% effective January 1st, 1969. (This compares with a recent settlement of Edmonton with its outside workers union at an average of 13-1/2% over a one-year period). Based on the 1967 field payroll it is

estimated that the 1968 increase of the new contract will be approximately \$15,000. The negotiators report anticipates that a considerable saving of this amount can be realized by a reduction of overtime and a freeze on hiring casual labor as far as this is possible.

Under other articles in the agreement, the 5-day, 44 hour week has been maintained. The statutory holidays are specified and if a worker is required to work on one, he may be paid double time, or be granted another day off in lieu of the holiday. Any employee required to serve as a juror or witness in a court case will be paid full wages. Grievance procedure has been detailed and time limits fixed to avoid any unreasonable delay on the part of either town or the union.

The new agreement allows permanent employees (after one year's service) one and a half working days per month, cumulative to a 30 day maximum. The previous agreement provided one and a quarter days, cumulative to 60 days. In the new agreement an article has been included under which any employee who abuses or submits a false claim for sick leave may be immediately dismissed.

Negotiators for the town were Secretary-Treasurer Fleming, Jan Maandag, engineer and A. R. Gate, superintendent of parks and recreation. The union was represented by Leo Lancaster, C.U.P.E., representative, Milton Burton and Wally Wiepke of Local 941.

Dancing school plans busy year

COLLEEN KELLY

A young local dancer will take on new duties as a Highland dancing teacher this coming season with the St. Albert School of Dancing. The daughter of Mr. and Mrs. Kelly of 15 Geneva Cres., Colleen recently attained a triple gold bar through the Scottish Dance Teacher's Alliance.

St. Albert School of Dancing will start the 1968-69 season on September 9th. Tap and modern stage dancing will be taught as usual by Gladys Smith and Alma Hughes, and Marilyn Myers will continue teaching ballet.

The directors are proud to announce that this year they are introducing Highland Dancing which will be taught by Colleen Kelly.

Colleen, who is a long time student of tap and modern dancing with the St. Albert School was trained in Highland dancing by Ellen Flottes, and has won numerous medals and trophies in completion throughout the province, and recently attained her triple gold bar through the Scottish Dance Teachers Alliance.

The many people of St. Albert who know of Colleen's dancing ability, will agree that as a teacher she has a great deal to offer.

Mrs. Hughes and Mrs. Smith as well as Colleen and Kim Martin will start off the season by attending a workshop given by Al Gilbert of Hollywood, for teachers and advanced students.

For children who are ready, the annual examinations in ballet, modern stage and tap dancing will be available.

Many of the more advanced students are excited about the forthcoming trip to the Lethbridge Dance Festival in the spring. Some spectacular routines are being planned in all types of dancing.

able delay on the part of either town or the union.

Mr. William Soprovich is presented with a handsome pair of book-ends by Mayor Fowler as an appropriate token of appreciation from the Town of St. Albert for his many years of service as chairman of the Library Board. The presentation was made Monday morning at Town Hall. It was a busy weekend for Mr. Soprovich who was home to arrange moving his family to Winnipeg where he has begun his new duties with the Curriculum department of the Manitoba Department of Education.

Nova Scotia students having active week

Since their arrival on Monday, the 24 students from Nova Scotia, along with their hosts from St. Albert's two high schools have been a busy group of young people. The get-acquainted party Monday evening at the Roman Catholic church hall proved a most successful evening with enthusiastic participation by all.

On Tuesday everybody was off on a bus tour of Edmonton which included

visits to the Provincial Museum, Centennial Library, Legislative buildings, University Campus and the Jubilee Auditorium. For dinner they were entertained at Lister Hall. In the evening they took in the football game at Clarke Stadium.

A trip to Jasper for Wednesday and Thursday is a highlight of the week's activities and sight-seeing in the Rockies will be a particular thrill for the Mar-

time visitors. They will be back on Friday in time to prepare for the Civic Banquet and dance being held Saturday evening.

The Town of St. Albert is hosting the banquet at the Bonaventure Motel when Mayor Fowler and the councillors and their wives will welcome the visitors and Robert Clark, Minister of Youth will be the guest speaker. Following the banquet a dance for local high students and their guests goes at St. Albert High gym when the Patchwork Kwik will be providing the music.

To round off a busy week the young people will be the guests of St. Albert Lions Club at a Bar-B-Que and Hootenanny being held Sunday at the residence of Dr. William Cuts. The visitors will gather at Grandin Shoppers Park on Monday, ready to leave for home.

Town endorses resolution on education costs

St. Albert Town Council will present the following Resolution for consideration of the Alberta Urban Municipalities at their annual convention in Lethbridge, October 29 - November 1st.

Councillor Gibson first proposed such a resolution, to relieve the cost burden of education presently borne by

municipal governments, last year. It was endorsed by council for this year at their meeting August 12th: While he admits that the resolution will definitely encounter opposition at the AUMA meetings, Mr. Gibson feels that municipalities must take the lead, not only in requesting relief from an insupportable

share of the cost of education, but also in presenting their views on what steps the province should take to replace the present Foundation Program.

The resolution reads as follows: WHEREAS, Education is the prime responsibility of

The "young-in-heart" group were matched in enthusiasm only by the young-in-age in their enjoyment of the circus. One gentleman getting on in years remarked to Mr. Townsend "Do you know, sir, this is the first time in my life I've been to a circus, and you're the one that brought me". Two sisters and an orderly accompanied the party along with Lions Gordon Townsend (extreme right) who made the arrangements, assisted by Joe Garber (extreme left).

Around Town

Mr. and Mrs. Jack Stibbe and Audrey of Grandora Crescent returned last week from a six week's vacation in Holland where they visited relatives and friends and report a marvellous holiday, including visits to nearly every part of the country and to Brussels, Belgium. The Gazette is happy to have their reporter back, and elude or individuals are invited to telephone Mrs. Stibbe (Hennie) their items of social news or club activities. Her number is 599-7448.

The annual banquet of the Landing Trail district Cub Scouts and Scouts, including St. Albert and Morinville, will

be held in Morinville Recreation Centre on September 14th at 7 p.m. All parents of Cub Scouts in the district will be contacted with regard to the plans.

Mr. and Mrs. Robert White of Kingston, Ontario, will be returning home this week after a month's visit with Mrs. White's parents, Mr. and Mrs. William Fraser of 100 Mission Avenue.

Mr. George Thatcher returned to London, England on Saturday, after spending five weeks with his daughter and son-in-law, Mr. and Mrs. R. T. Handrick of 19 Gordon Crescent.

Postmaster Al Mitchell, Mrs. Mitchell and two of their sons returned on Friday from a two-week vacation in the southern Okanagan Valley and Vancouver, B.C. They brought with them Mrs. E. Wilson of Nanaimo, an aunt of Mrs. Mitchell, for a visit in St. Albert.

At the same social the Constantine's son Edmond and his wife were honored as well, for they are moving to a new home nearer St. Albert. Both Mr. Constantine and son expressed very sincere thank-yous. The district neighbors and relatives wish them many comfortable and enjoyable years in their new homes.

the Provincial Government, and

WHEREAS, the cost of Education is an every increasing burden on the municipal taxpayers of Alberta, and

WHEREAS, the cost of Education is accelerating annually at a rate greatly in excess of the growth of municipal assessments and is apparently uncontrollable, to the extent that property tax levies cannot be maintained in proportion with the provincial or national economy, and

WHEREAS, as a result of drastic education cost increases the property tax is regressive,

NOW THEREFORE, be it resolved that the A.U.M.A. make strong representation to the Government of Alberta requesting that a sales tax and/or a surcharge on the Federal income tax be instituted in such amount as may be necessary to remove from the municipal tax levy the entire cost of Education.

Mayor Fowler, who is not in favor of the resolution, expressed his opinion in a written memorandum as follows: I cannot support any resolution by any municipality requesting the Government to institute a Provincial Sales Tax to aid in the cost of education. I have long had the feeling that the Provincial Government have long awaited strong pressure from the municipalities for the institution of a Provincial Sales Tax so that any blame for such a tax may be laid at the doorstep of the said municipalities. All of us will agree that the cost of education is becoming a very real burden, however, I am personally convinced that the Department of Education must institute great economies in an area which will not affect the quality of education before looking for new means of financing.

Coronado UCW hear talk on welfare

The regular monthly meeting of the Coronado U.C.W. Unit #2 was held on July 3 at the Coronado United Church hall with four members present. The meeting was opened by the president followed by worship by Helen Hughton. The painting of the new metal chairs was discussed and was tabled until the next meeting. Plans were made for the next meeting to be a joint meeting with Unit #1. A delicious lunch was served by Sandra Shaw, Annie Chipchar and Betty Hofs.

The July 31st meeting was called to order by the president, Annie Chipchar, followed by worship by Mary Montpelier. There were six members from Unit #2, seven members from Unit #1 and four guests present. The painting of the metal chairs was discussed and it was decided that Unit #2 paint them the color they so choose. Guest speaker for the evening was Mr. Richells, Supervisor for this area from the Department of Public Welfare. The next meeting will be held September 4 at the Coronado Hall with worship by Sandra Shaw and lunch by Rene Sprague and Pat Briggs.

A delicious lunch was served by Marjorie Tidbury, Edith Viesscher and Annie Chipchar.

Discovery of a five to ten billion barrel oil field on the Arctic coast could make that region North America's largest oil field, reports Oilweek, "surpassing East Texas with six billion barrels." It could surpass Canada's current total reserves of 8.1 billion barrels. While the new find has been made on Alaska's Arctic shore, vast reserves can be expected along the 650 mile Arctic coastal plain, stretching from near Point Barrow, Alaska, to Liverpool Bay, Northwest Territories, and extending north in Canada's Arctic Islands. Possibility of 3,300 mile billion dollar, big-inch pipeline from the Arctic Coast to U.S. markets via northern and western Canada could be assessed in the near future, says Oilweek.

MEN'S SOCCER

The next game scheduled for the St. Albert Men's Soccer team will be against the Blue Angels in Coronation Park on Friday next. Game time is 6:30 p.m.

CRAFTS

Anyone who happened to be in the Salisbury Park area recently must be aware of a new T-shaped building which suddenly appeared there. It is the new St. Albert Arts Centre, and all the men who have been seen around there on Saturdays are volunteers who are giving their time and efforts to ensuring that our community has an Arts Centre to be proud of.

Up until now most of the work has been done on Saturdays. This will continue but work in the evenings has also started and much remains to be done. The building is going to be ready in time for the fall season. If you feel like volunteering your services during the evening period, please phone 599-7513 or if Saturday suits you better phone 599-6225. But Please Volunteer! There is a good hard core of dedicated workers but they do need help.

Tennis

St. Albert Senior Inter Club team defeated Fort Saskatchewan by a score of 4-2 this ending the regular schedule, tying for second place with Royal Glenora 24 points each. First place was taken by Garneau with 26 points and Fort Saskatchewan had 23.

Last Sunday evening the senior team composed of Dave and Anne Kirk, Bob Harvey and Angela Sonntag Lorne and Judy Wood, began the semi-finals for the Brown Shield against Glenora and were edged by a score of 2-1. St. Albert hosts Glenora on Friday evening, August 23 at 6:15 p.m., at which time we hope for the victory which would put the local team into the finals.

In the recent City Junior Tennis Championships the Parsons family again brought championships to St. Albert. Bernice and her partner from Coronation won the under 16 girls doubles by defeating her sister - Roberts and her Garneau partner in the finals. Phillip Parsons and his Coronation partner won the under 16 boys championship.

CARD OF THANKS

The Lion's Club of St. Albert deserve and are now receiving a very sincere and heartfelt thank you for their thoughtfulness in inviting the residents of Youville Home to the circus on Friday afternoon, at the expense of the club, including free transportation. We would like to thank each member personally for his share of work and expense. Since this is impossible, be assured that we are deeply grateful and appreciative.

May God Bless each member and grant you every success in your great work.

Residents at the Home,

Safety experts report on noise

Home isn't the quiet retreat it used to be. In fact, it can be another place than work. And this fact, notes Plant Administration & Engineering, may undermine the efforts of industrial safety directors to dim the din in manufacturing plants. A typical quiet house in the early 1920's would have registered about 20 decibels. Today, many appliances alone in a quiet single-family detached home is about 45 decibels. In multiple dwellings the level is around 50.

Safety experts say this home noise lessens a plant worker's chances of returning to his job unimpaired and could make him more prone to suffer a permanent hearing loss. While most industrial noise is fairly constant or at least expected, off-the-

job noise is mostly intermittent, and unexpected noise has a more disturbing effect on people. It hasn't been established scientifically, Plant Administration points out, but the possibility is suggested that there's a relationship between noise and off-the-job accidents because it is known that noise creates tension and fatigue and both contribute to accidents.

Workers in a noisy plant are not seriously affected if they have a 16-hour recovery period off the job, according to safety experts, but quickly add this just isn't possible in today's cacophonous world.

It becomes difficult for people to communicate when sound reaches levels of about 85 decibels. Short exposure to levels between 100 and 125 can cause temporary hearing loss at certain pitches. And sound can begin to cause pain at 125. The noise level in many homes sometimes approaches this point.

Here is a decibel scale based on modern daily life:

- 130 - machine gun blast; hydraulic press
- 117 - jet plane passenger ramp
- 116 - circular saw
- 111 - load motorcycle
- 107 - load power mower
- 104 - subway
- 102 - loud outdoor motor
- 100 - nearby gunshot
- 100 - loud TV (average, 68)
- 94 - pneumatic jackhammer
- 93 - food blender
- 91 - dishwasher plus garbage disposer plus exhaust fan
- 90 - 80 - COMMUNICATION FAILURE POINT -
- 78 - ice cubes grinding in garbage disposer
- 70 - busy street traffic (same as loud conversation)
- 69 - dishwasher
- 65 - top level of private office bustle
- 57 - air conditioner and air filter fan
- 50 - top level of low street noise
- 40 - a home at night, everybody asleep - nobody snoring

There are still a few openings left for the next Mile Swim to be held on August 25th at 9:30 p.m. Register at the pool.

On Saturday, August 24 from 9 a.m. - 12 noon, a clinic for mothers and fathers of pre-schoolers will be held. This clinic is for parents who are interested in the water instruction of their children and will be given by the Red Cross Field Supervisor, Mr. Denny O'Donnell. Mr. O'Donnell was involved in the instruction of this field of instruction and this clinic will be a wonderful opportunity for interested parents to learn how to introduce their pre-schoolers to a water safety program. For further information enquire at the pool. Please note, because of this clinic, Public Swimming will be restricted.

Swimming instruction lessons will be over for the season on August 23. From August 25 till the pool closes there will be Public Swimming during weekdays from 7 a.m. till 12 noon.

Vimy girl weds Legal man

VIMY - A lovely summer wedding was held on August 17th in Our Lady of Victory Vimy church when Miss Madeleine Sabourin, daughter of Mr. and Mrs. Edmond Sabourin from Vimy, was united in marriage to Mr. Jean-Louis Tieulle, son of Mr. Jean Tieulle and the late Mrs. Tieulle.

The bride, given in marriage by her father, looked lovely in a floor length gown of pearl-de-sole featuring a bateau neckline with pearl trim. Lace appliques and lily-point sleeves enhanced the gown. Her shoulder length silk illusion veil was held in place by a beaded crown. She carried a bouquet of red roses with rosebuds cascading on white ribbon streamers.

Bridal attendants were Misses Suzanne Tieulle, Paulette and Lorraine Sabourin. They chose identical floor length gowns of orchid chiffon with floor length capes. The necklines and waist were accented by beaded trimmings. Rhinestone tiaras were worn as headpieces.

The groom's attendants were Mr. Bert Bloudeau, Mr. Jacques St. Martin, and Mr. Paul Tieulle. Ushering the guests were Mr. Albert Sabourin and Mr. Jerry Tieulle. Wedding music was played by Mrs. G. Provencal and solos were rendered by Mrs. G. Provencal and Mr. Leonard Forcade.

Following the ceremony a reception for 250 guests was held at the Legal Community centre.

St. Albert School District No. 3

BY-LAW No. 10

By the Board of Trustees of The St. Albert School District No. 3, of the Province of Alberta,

WHEREAS It is deemed expedient by the Board of Trustees of the St. Albert School District No. 3, of the Province of Alberta, that the sum of TWENTY TWO THOUSAND, FIVE HUNDRED DOLLARS should be borrowed on the security of the said District by the issue of Debentures repayable to the bearer in Twenty-Five consecutive annual instalments with interest at the rate of not more than eight percent per annum for the following purposes, namely:

For the purchase of 10 acres of land in the Forest Lawn Sub Division; Town of St. Albert, for a future school site.

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the proprietary electors of the said School District for and against the said debenture loan is demanded as provided by The School Act, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

DAVE B. FRASER
CHAIRMAN

Dated at St. Albert, this 6th day of August, 1968.

INSTRUCTIONS TO PROPRIETARY ELECTORS IN A SCHOOL DISTRICT

1. A poll of the proprietary electors for and against the by-law may be demanded within fifteen days after the date of the posting or of the last publication of this notice, the demand for a poll shall be in such form as is prescribed by the Minister and shall be signed,
 - a) in a district other than a city district, by fifty proprietary electors or by five per cent of the proprietary electors, whichever is the lesser number,
 - b) in a city district, by one thousand proprietary electors or by five per cent of the proprietary electors, whichever is the lesser number.
2. The demand for a poll should be delivered to the secretary of the district or, in his absence, to the chairman of the board of trustees. A certified copy of the demand should be transmitted forthwith
3. Proprietary elector means any elector, who is liable to assessment and taxation for school purposes in respect of property situated in the district.

Fagan - Oko wedding

VIMY - A beautiful summer wedding took place when Miss Gloria Oko was wed to Mr. Clem Fagan on August 9th. The bride is the daughter of Mr. and Mrs. Frank Oko from Tawatina and Clem is the son of Mr. and Mrs. Lucien Fagan of Vimy. Rev. A. Desjardins performed the double ring ceremony at Our Lady of Victory Church at Vimy which was decorated with bouquets of multi-colored mums.

Given in marriage by her father, the radiant bride wore a floor length gown of nylon tulle decorated with seed pearls. Her stik illusion shoulder length veil was held in place by an aurora tiara and as her only jewelry she wore a gold cross on chain and matching earrings, a gift of the groom. Red roses formed her bouquet.

Bridal attendants were Misses Paulette Sabourin and Debbie Patry. They wore identical floor length burgundy gowns. Floral headpieces and open cascades of white and red roses completed their ensembles. The groom was attended by Mr. Douglas Oko, brother of the bride and Mr. Rolly Fagan, cousin of the groom. Guests were ushered by Mr. Bert Cyre and Mr. Dave Oko.

During the ceremony, solos were rendered by Mrs. G. Provencal and Mrs. Frances Cyre, accompanied by Mrs. G. Provencal at the organ.

After the ceremony, a reception for 225 guests was held at the Clyde Community Hall where the bridal table was centered with a three tiered wedding cake and baskets of yellow mums. Master of ceremonies was Mr. Mac Ferguson and the toast to the bride was proposed by the bride's godfather, Mr. Ken Schuster.

To receive her guests the bride's mother wore aqua blue nylon simplicity line dress, white accessories and tangerine tipped white roses encores.

The bridegroom's mother wore a two piece suit of metallic brocade knit, complemented by silver and black accessories and tangerine tipped white roses formed her corsage.

For a wedding trip to Banff and Jasper, the bride donned a navy three piece suit of brocade with red accessories and red roses encores.

Upon their return, the happy couple will reside in Choway.

Out of town guests were from Calgary, Fort McMurray, Bonnyville, St. Paul, Edmonton and Rochester.

Mr. and Mrs. Bill Soetaert and family are holidaying in Kelowna for a week. Mr. and Mrs. Maurice Verstraete have been out there, after having a visit from Mr. and Mrs. Hector Verstraete of Surrey, B.C., all driving back to Kelowna together.

Sturgeon trustees approve upkeep costs

Summer maintenance plans were reviewed by the Sturgeon School Board at their July meeting as well as staff changes as covered in Superintendent Kunst's report to the Board.

Following the report of Mr. Ken Dohel the Board approved a number of maintenance projects: The tender of C.M. Hill Ltd., was accepted for sanding, sealing and refinishing floors in Bon Accord Elementary. The old library in Bon Accord will be renovated into three offices for the principal, vice-principal and a general office. A partition in the typing room at Bon Accord will provide two teaching stations rather than one. In the fall a fire wall will be out in along the outside wall of the furnace room at Bon Accord Elementary. A black and Decker 10 saw will be purchased for the shop.

The gymnasium floor at Gibbons school will also be sanded, sealed and refinshed.

Villeneuve News

Due to the mall strike, we express the belated sympathy of the community to Mrs. Albert Halwa and family, whose husband passed away in mid July, suddenly after a short illness. Albert grew up here, taking over the farm from his father some twenty years ago. He had a mixed farming program, as well as specializing in seed grains.

The community wishes to express their sympathy also to Mr. and Mrs. Bob Belanger, whose father Elot Belanger passed away recently. He was an old timer of the former Ray district, and also of the parish of Riviere Qui Barre, having come in 1892 with his parents while an infant, and lived on their homestead all his life.

The C.W.I. ladies of Villeneuve held their midsummer meeting August 14th, having Callihoo ladies as guests. Father Volk gave a very informative talk to all. By the way there will not be a meeting in September.

The new church roof looks very attractive done in red asphalt shingles.

Mr. and Mrs. Vesey are still here from England holidaying with their daughters Mrs. Lloyd Majew and Mrs. Geo. Boria.

Miss Baron visited with Mrs. C. Kremer for a few days last week.

Mr. and Mrs. Win, Outmet had as house guests over last weekend, Mrs. Mabel King of Ireland, and Mrs. Geo. Ryan from Edmonton, aunt of Mrs. Outmet. On August 11th, they took their guests to the annual McDonald picnic at the home of Mrs. Armstrong, Fort Saskatchewan. Also at the picnic was Rev. F. Father Michael Conaghan who was ordained as a priest in Ireland June 15th; along with his brother Pat who resided in Fort Saskatchewan district. A gift was presented Rev. Father on the occasion of ordination.

Sunday, August 11, on the occasion of their wedding anniversary, a huge crowd gathered at the home of Mr. and Mrs. Paul Berube for a lawn party. Everyone was kept busy at playing cards or soft ball, horseshoe, lawn bowling and badminton. After a picnic supper Georgetown and Paul were presented with a purse from all their friends and relatives and a lovely cake in the shape of thirty-four (34), the anniversary years.

STAFF CHANGES

Francis J. Robinson, principal of the Horse Hill School was appointed Assistant superintendent of schools effective August 15, 1968.

The following appointments to the teaching staff were approved.
Mrs. Doris Birkhols - Grade 5 - Horse Hill.
Miss Jenny Keegstra - Grade 1 - Namao.
Miss Norma Toogood - Grade 2, 3 - Namao.
Mr. Omer Shupe - Jr. H.S. - Horse Hill.

Mr. Krasnopf, secretary treasurer, reported that Mr. Kondrak had found suitable accommodation in the Bon Accord area and therefore would be remaining on staff. The secretary read a letter of thanks received from Mr. and Mrs. Herbert Roushorm, caretakers, Horse Hill School, advising the Board that they will be retiring at the end of August.

It was moved that Mr. and Mrs. Roushorm's resignations be accepted with regret and that they be thanked for their many years of outstanding service with this Division.

Sister Shirley Majew has made a return visit to her parents, August 15, after returning to Toronto in the later part of July. She and another Rev. Sister and eight young ladies went up to Fort Chipewyan to give religious instructions to the native peoples. It surely was a real surprise to her parents Mr. and Mrs. Luke Majew.

Many excellent examples of our work in St. Albert can be shown to you.

Mr. W. H. Williams photographed Thursday afternoon on his farm just north of Gibbons as he was at work cutting barley. Because of the heavy frost damage last Monday night this field of barley is being cut for feed. Reports are still coming in and full extent of the damage is not yet known. The early frost struck in areas around Morinville, west of St. Albert, north of Bon Accord in around Thorhild. Low-lying peat soil areas were most affected by the severe frost. A report from Thorhild states one farmer lost nine cows who ate frost damaged red clover early Tuesday morning, causing severe bloating.

Courses offered at Vanier High

MORINVILLE-The School opening for the Thibault School District will be September 3rd with registration at 9:00 p.m. There will be a staff meeting at 1:00 p.m.

Plan your recreation classes now

MORINVILLE - Let all who read this, young or old, reserve a night or two when planning your schedule for leisure time this fall.

The Morinville Recreation Board are now making plans to offer instruction in many areas of activity: dancing, piano, accordion, guitar, painting, welding, radio, copper and leather craft, to mention but a few.

Please keep in mind that these courses are not restricted to the Morinville Community. We gladly accept and welcome applications from the neighbouring districts.

Try to let the Recreation Board know in some way and as early as possible what your interests are, so that we may plan and organize accordingly.

ATTENTION HOG PRODUCERS

The following clauses are taken from the MARKETING of AGRICULTURAL PRODUCTS ACT. These clauses, if used indiscriminately, will destroy the very freedom that has made this province a leader in the agricultural industry.

Section 7. (1) The Council may make regulations generally or with respect to any regulated product.

24. Authorizing any producer board to conduct a pool or pools for the distribution of all moneys received from the sale of the regulated product and make an initial payment on delivery of the regulated product and subsequent payments until all of the remainder of the moneys received from the sale is distributed to the producers.

Section 7e. (i) to direct or control, by order or direction, either as principal or agent, the marketing of the regulated product, including the times and places at which the regulated product may be marketed.

(ii) to determine the quantity of each class, variety, grade and size of the regulated product that shall be marketed by each producer.

(iii) to prohibit the marketing of any class, variety, grade or size of the regulated product.

(iv) to determine from time to time the price or prices that shall be paid to producers for the regulated product or any class, variety, grade or size of the regulated product and to determine different prices for different sorts of the province.

(v) to require the price or prices payable or owing to the producer for the regulated product to be paid to it through the producer board.

(vi) to purchase or otherwise acquire such quantities or quantities of the regulated product as the producer board considers advisable.

(vii) to provide that the regulated product shall be marketed by or through the producer board and subject to subsection (4) of section 7, prohibiting any person from marketing any of the regulated product except by or through the producer board.

RECOMMENDATIONS:
If you market hogs AND WISH TO EXPRESS YOUR VOTE AGAINST THIS PLAN, YOU WILL HAVE YOUR GREAT-EST INFLUENCE BY NOT REGISTERING. e.g. IN REGISTRATION if you have 100 hogs you have 100 votes. IN THE PLEBISCITE if you have 100 hogs you have only ONE vote.

Please consider the implications contained herein very carefully and be prepared to accept the consequences.

Special Notice

Canada Manpower Centre has just recently contacted the Extension Office. They are trying to place a young couple as farm help. The man is 26 years old and has a truck-driving background.

These people grew up in rural France and have lived in Quebec for the past four years. They speak only French. If you are interested in hiring these people or would like more information, please contact the Department of Agriculture Office in Morinville (256-3351) as soon as possible.

A very good turnout of district farmers watched the deep ploughing demonstration on Steve Ozipko's farm north-east of Legal on August 13th.

A demonstration of deep ploughing of solonchetic soils was held on the farm of Steve Ozipko on Tuesday August 13, with some fifty farmers in attendance.

The purpose of this deep ploughing is to break up the heavy layers of salt that lay just below the surface of the soil. Once these layers are broken up, water action washes out the salt to a lower level leaving a layer of top soil that is salt free and bringing the land back into production again.

The plough was supplied by the Canada Department of Agriculture Vegreville Research station, Dr. Ross Cairns who is in charge of the research station has spent many years experimenting in this kind of work and has come up with some startling results. As is always the case some soils do not react to this process. We will be publishing further reports on these plots in the future.

ASB tour shows fertilizer results

The Agricultural Service Board demonstration plot tour was held August 9th, 1968, leaving Morinville at 9:30 a.m. Eleven people including farmers, agricultural, chemical, fertilizer, representatives took part. Chemical plots showing the use of different chemicals at recommended rates were seen.

HARVEST TIME

Swathing of early barley has started throughout the district. A few fields of early barley are being threshed. Joe Rouault and Sons threshed one field of barley on August 16th. This was a field of Conquest barley of good quality and was testing dry. Mr. Rouault stated that it was yielding fairly well considering the year. Some of the later crops in this area were damaged quite heavily with the frost.

Fieldman.

egg ballots and hog plan

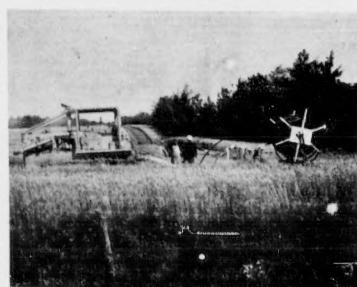

The agricultural products marketing council today announced rescheduled dates for balloting for an Egg and Fowl Marketing Board and registration for a Hog Marketing Board.

Plans and ballots for an Egg and Fowl Marketing Board will be mailed to registered egg producers by Sept. 3rd and must be returned to the marketing council by 4:30 p.m. on Sept. 16th.

Registration forms will be mailed to all hog producers by August 19th. Com-

pleted forms must be received by the marketing council Sept. 9th at 4:30 p.m. Hog producers who do not receive registration forms in the mail may obtain them from their district agriculturist.

If 2000 hog producers register, representing at least 600,000 slaughter hogs marketed between May 1, 1967 and April 30, 1968, ballots for a hog marketing board will be mailed to registered producers by October 15th to be returned by November 18th.

NATURAL GAS INSTALLATIONS

Northwestern Utilities Limited has begun laying gas lines to service farmers west of Highway #2 in our area. Plastic pipe is put into the ground with a special plough. Up to three miles of line a day can be buried if conditions are good. The above picture was taken on the Harold Cassidy farm, where work started last Friday morning.

A word to the whys on fruits and vegetables

by Shirley Rebus, District Home Economist.

WHY should most vegetables be blanched before they are frozen? This stops enzyme action, in unblanched vegetables, enzymes continue to act during frozen storage, causing off-flavors and changes in color.

WHY is ascorbic acid added to some fruits before freezing? It prevents darkening of the fruit, and is used mainly for peaches, apricots, and apples.

WHY should felt marking pens not be used for labelling freezer foods? Many contain kerosene or gasoline based ink that gives food an off-flavor.

WHY should low-acid foods (meat, corn, peas, beans, and beans) be canned ONLY in a pressure canner? Certain bacteria thrive in low-acid foods when oxygen is excluded, as it is in canning. These bacteria give off a deadly poison, which is responsible for the food poisoning known as botulism. Only a pressure canner can reach temperatures high enough to kill the bacteria.

WHY is it not advisable to add baking soda to intensify the color of green vegetables as they cook, or to soften dried vegetables as they soak? The soda destroys flavor and nutrients. In addition, it tends to give a mushy product.

WHY is red cabbage generally cooked with a bit of acid such as vinegar or apple? Hard water which is alkaline can cause the cabbage to change from red to blue. The acid neutralizes the alkalinity.

WHY should mushrooms be sautéed at low temperatures rather than boiled? High temperatures toughen them.

WHY cook rhubarb in a sugar syrup, rather than cook it in water and add the sugar afterward? Cooking in a sugar syrup helps the pieces retain their shape, thus preventing a soupy, mushy product.

WHY cook dried fruits in water and add the sugar after cooking is completed? Sugar in the cooking water may prevent the fruit from absorbing enough moisture.

WHY should vegetables not be peeled early in the day, and left to soak in cold water? Water-soluble vitamins and minerals are soaked out by this procedure. It is better to place them in a damp paper towel or a plastic bag and store in the fridge.

WHY store potatoes at 50 - 70 F? If the storage temperature is too low, the potato becomes sweet and almost waxy. These changes occur because respiration is slowed down at low temperatures.

Sponsored by St. Anne Council, Knights of Columbus, Morinville, Alberta, Proceeds For Charity

The Namao flower show sponsored by the two U.C.W. groups was held in the Namao community hall on August 14th and again proved to be a big success. A Japanese theme was carried out as the two U.C.W. groups, the C.G.I.T. group and the Explorers group all had studied Japan for the past year. Mrs. Dianne Nielsen thrilled both afternoon and evening audiences by singing some favorite songs. Awards were as follows: The grand challenge cup went to Mrs. Betty Lou Kindelman, E. W. Hodgins was the winner of the Rosa Samis trophy for the best dark glad, The Clark trophy for a vase of glads also went to E. W. Hodgins. Mrs. Doreen Pearce was the winner of the Spears trophy for adult novice. Mrs. Betty

Lou Kindelman received the Alice McLay trophy for the best entry. The Sarah Bell trophy for the winner of junior classes went to Miss Lanny Robertson and Miss Audrey Gibson received the Albert Paul trophy for the highest score in 4-H.

The award for the best decorative display donated by Mrs. Collage went to Mrs. Betty Lou Kindelman. Mrs. Margery Clark received the Mrs. Fred McLay trophy. Miss Debbie Teske was the winner of the Mrs. Barnett award for the best junior entry. The Zaychuk trophy for a tray of fruit went to Mrs. Gladys McLay. Mrs. Bertha Speers received the Mrs. F. W. Craig Memorial prize foliage plant.

Legal to revise dog control

Deputy-Mayor Nault, councillors St. Jean, Dube, Freudenstein, and the village foreman were present for the August 12th meeting of the Village of Legal council.

Mr. Joseph Derrien attended the meeting to discuss with council the by-law concerning dogs barking throughout the night. After some discussion the council advised Mr. Derrien that the by-law will be revised to look after this matter.

Minutes of the previous meeting and the monthly financial statement were heard and accepted.

Mr. Reel Champagne was appointed Returning Officer for the Village. One term has expired, that of Mr. St. Martin, which will be up for the October village election. Building permit was approved for Gaston Parent for a garage. Secretary treasurer advised of invitation to a reception for the management staff of the new Fertilizer Plant being held in Redwater on August 19. Councillor St. Jean brought up the matter of the spruce trees near the Chateau Sturgeon which are in

need of cleaning out. It was decided the village would hire the necessary equipment to do this work and that it would be charged against the recreation grant. Following the checking and approval of monthly accounts to be paid, the meeting adjourned.

At their regular meeting on August 6th, the Board of Trustees of Thibault School District heard a review by Mr. Paul Chalfoux of the proposed policy book and of previous minutes in reference to it. Following a discussion on policy matters it was decided to hold a special board meeting on August 13 to consider the policy book further.

The Maintenance Committee reported on tenders received for janitor services at Notre Dame Elementary. Mr. Edmond Meunier's tender was accepted and secretary was requested to prepare the necessary contract. Requests for bursaries were received from Miss Rachelle Pelletier and Miss Yvonne Patry and each was

granted a \$400 bursary in accordance with board policy.

A letter was read from Dupuis, Dunn and Donohue stating that the Master Clock System and the outside bell on the north wall were now functioning properly. It was moved that the hold back of

\$200, on the system be paid. Monthly statement was checked and approved and the accounts payable were approved as presented. The meeting adjourned at 12:10 a.m. In attendance were chairman Riopel, vice-chairman Chalfoux, trustees Krauskopf, Kryskow and Tellier; senior principal Fitzpatrick and secretary treasurer Paul Brochu.
